Hey....Don't forget to look at
"Don't Let The Old man In"
on the Tawa TT web site!

I'm so bored
I went outside to knock on my own door
Then came back in and said
"Who is it"

Stepped on my scale this morning and it
said: Please use social distancing,
one person at a time.

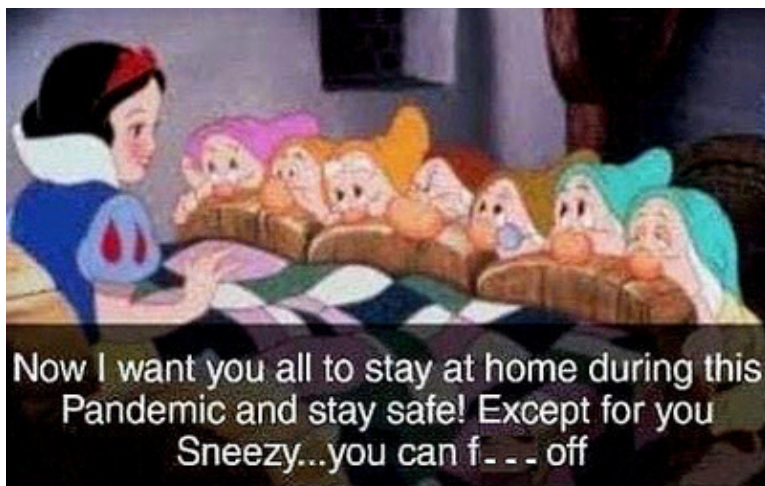

My mom always told me I wouldn't accomplish anything by laying in bed all day but look at me now, I'm saving the world.

Chuck Norris has been exposed to the Coronavirus.
The virus is now in quarantine for a month.

Dear single friends,
Stay positive and optimistic. After these weeks of lockdown there will be plenty of divorces and new opportunities.

This Corona virus must have hit Nigeria hard.

I haven't received an inheritance or marriage proposal all week.

Returned from the grocery store with hubby. Took masks off. It turned out it was the wrong hubby! Be attentive!

A Police Officer came to my house and asked me where I was between 5 & 6. He seemed irritated when I answered: "Kindergarten"

A Law student, having failed his Law exam, goes up to his crusty old professor, who is renowned for his razor-sharp legal mind.

Student: "Sir, do you really understand everything about this subject?"

Professor: "Actually, I probably do. Otherwise I wouldn't be a professor, would I?"

Student: "OK. So I'd like to ask you a question. If you can give me the correct answer, I will accept my marks as it is. If you can't give me the correct answer, however, you'll have to give me an "A".

Professor : "Hmmm, alright. So what's the question?"

Student: "What is legal but not logical, logical but not legal, and neither logical nor legal?"

The professor wracks his famous brain, but just can't crack the answer. Finally he gives up and changes the student's failing mark into an "A" as agreed, and the student goes away, very pleased.

The professor continues to wrack his brain over the question all afternoon, but still can't get the answer. So finally he calls in a group of his brightest students and tells them he has a really, really tough question to answer: "What is legal but not logical, logical but not legal, and neither logical nor legal?"

To the professor's surprise (and embarrassment), all the students immediately raise their hands.

"All right" says the professor and asks his favourite student to answer.

"It's quite easy, sir" says the student "You see, you are 75 years old and married to a 30 year old woman, which is legal, but not logical. Your wife has a 22 year old lover, which is logical, but not legal. And your wife's lover failed his exam but you've just given him an "A", which is neither legal, nor logical."

A husband and wife were grocery shopping. He picks up a case of beer and puts it in the cart. "What are you doing?" asks the wife. "They're on sale, only \$10 for 24 cans" he replies. "Put them back, we can't afford them", demands the wife. They continue shopping. Later on, she puts a \$20 jar of face cream in the basket. "What are you doing?" asks the husband. "It's my face cream. It makes me look beautiful," replies the wife. He said, "So does 24 cans of beer and it's half the price." That's him in Aisle 5!

My neighbour knocked on my door at 2.30am this morning, can you believe that, 2.30am?! Luckily for him I was still up playing my Bagpipes.

Fish Story

Dear Dr. Phil,

When I retired, I could hardly wait to spend time enjoying my favourite pastime - fishing.

I bought my own little fishing boat and tried to get my wife to join me, but she just never liked fishing.

Finally, one day down at the Bait & Tackle Shop, I got to talking to Sam, the shop owner who, it turned out, loves fishing as much as I do.

We quickly became "fishing" buddies."

As I said, the wife doesn't care about fishing; she not only refuses to join us, but she always complains that I spend too much time out on the lake.

A few weeks ago Sam and I had the best fishing trip ever.

Not only did I catch the most beautiful fish you've ever seen, but only a few minutes later Sam must have caught its twin brother!

So I took a picture of Sam holding up the two nice fish that we caught and showed the picture to my wife, hoping that maybe she'd get interested.

Instead, she says she doesn't want me to go fishing at all anymore!

And she wants me to sell the boat! I think she just doesn't like to see me enjoying myself.

What would you do? Continue my hobby, or quit fishing and sell the boat as she insists?

Thanks,

Peter

P.S. Enclosed below is a picture of Sam with the two fish we caught.

When Grandma Goes To Court

Lawyers should never ask a Mississippi grandma a question if they aren't prepared for the answer.

In a trial, a Southern small-town prosecuting attorney called his first witness, a grandmotherly, elderly woman to the stand. He approached her and asked, "Mrs. Jones, do you know me?" She responded "Why, yes, I do know you, Mr. Williams. I've known you since you were a boy, and frankly, you've been a big disappointment to me. You lie, you cheat on your wife, and you manipulate people and talk about them behind their backs. You think you're a big show when you haven't the brains to realize you'll never amount to anything more than a two-bit paper pusher. Yes, I know you."

The lawyer was stunned. Not knowing what else to do, he pointed across the room and asked, "Mrs. Jones, do you know the defence attorney?"

She again replied, "Why yes, I do. I've known Mr. Bradley since he was a youngster, too. He's lazy, bigoted, and he has a drinking problem. He can't build a normal relationship with anyone, and his law practice is one of the worst in the entire state. Not to mention he cheated on his wife with three different women. One of them was your wife. Yes, I know him."

The defence attorney nearly died.

The judge asked both counsellors to approach the bench and, in a very quiet voice, said "If either of you idiots asks her if she knows me, I'll send you both to the electric chair."

The response:-

Dear Peter,

You have a narrow-minded wife.

Those are two very nice fish!
